WHO WAS MAGGIE?

Margaret Louise "Maggie" Bersch courageously battled leukemia for five years before she succumbed to complications in 2004. She loved soccer, school, her friends and her family. Maggie always found a way to smile through radiation and chemotherapy, and often consoled friends and family as they worried about her.

Maggie was a third grader with the Christ King School Class of 2011 when she passed away. With her death, she left a hole in the hearts of our community. At MAGGIE'smile, we celebrate the difference one girl made in the lives of so many.

Maggie made a difference.
