

## **Playground/Lunchroom Volunteer Form 14**

Do you know how to:

- open milk cartons
- excuse children to the bathroom
- fetch balls
- keep an eye on children to keep them safe on the playground

If so, we could use your help on the playground and in the lunchroom!

Playground/lunchroom volunteer duties are not difficult but they are so important. There are 3 recess times each day and we will need 1 person at each recess to support the teacher on the playground and the teacher in the lunchroom. Volunteers are asked to work one or two shifts per month or more if you so choose. All volunteers are asked to come to a brief meeting at the beginning of the year just to review lunchroom and playground rules as well as emergency procedures. If you are willing to help our children and teachers in this way, please complete the form below and return it on the first day of school. With 3 recesses a day we could really use your help! Please consider volunteering your time for playground/lunchroom duty. If you have any questions, please feel free to contact me. All volunteers must have attended a Safeguarding Training session, read the Code of Ethics and have a criminal check done. If you already have done this, there is no need to take the session again. Thank you.
