Attention all Christ King students and parents!

The 8th graders are having a food drive to benefit the homeless and hungry people at Hope House, a non-profit organization dedicated to housing, feeding and teaching the less fortunate in the City of Milwaukee. Have you ever wanted to do something bigger than yourself? Well, now you can. How you ask? By collecting food items that are non-perishable. The classroom or homeroom with the most food collected will earn a pizza party for the entire class.

Here's how the contest works: Between now and November 17, the day before the Thanksgiving Mass, bring in non-perishable, non-breakable food items to be put in your Cousin's Sub boxes located in your classroom. Especially needed are items like peanut butter, canned goods and dried

foods. On Thursday the 17th, eighth grade students will visit each classroom, weigh your food and determine the winner.

The food collected will be taken by the 8th grade class to Hope House where they will be spending time stocking the food pantry shelves. Hope House really needs your help! So, think of doing something bigger than yourself, and help your community this holiday season.
